

Data Submitted (UTC 11): 11/12/2024 9:23:41 PM

First name: Robert

Last name: Byrne

Organization: Roxborough Park Fire Mitigation Committee

Title: Chair

Comments: This project is very important and supported by the Roxborough Park Community. Since Pike National Forest is our western border any future plans for mitigation would benefit this community in defense against wildfire. If there is any opportunity to collaborate, we would be a grateful and committed partner.
