Comments: Greetings, We own river front property in the North Fork and have seen increased usage and impacts over the last 20 years. Impacts - river use, noise, road conditions, property trespass above high water mark, etc. Have concerns about wildfire and river camping, especially during Fire Restrictions.

Please consider limiting commercial guiding on the NF of the Flathead - # of parties per day, size of parties and # of boats.

Please consider the river adjacent landowner in decision making, access and use.
