Comments: Logging trucks from the Sawbuck Forest Management Project on Gillette Prairie Road (gravel) will exit on East Slate Road Forest Service 300 (gravel) to Deerfield Road Forest Service 17 (paved). East Slate Road is residential with 26 homes in Deerfield Park Homeowners Association, my year round full time residence, a family across the road, and a year round family 500 yards south of me.

I request that East Slate Road be mag watered along this residential area to reduce the enormous amount of dust created by fully loaded log trucks driving by our homes all summer into October 2025. Thank you.
