Comments: My mother Anne Sudekum went to Montlure as a child. (Mid 50's) my wife went to Montlure as a child and two of the three of my children went to Moutlure. It has been a very special place in our family's heart. This camp and its history has spanned generations in our family and touched the lives of many Arizona families for generations. There have been so many Arizona families blessed to have this special place in their lives, and hopping many more Arizona families can continue to enjoy this amazing camp! Hope to see that the Montlure camp can continue to bring happy memories to Arizona families for generations to come.
