Comments: To Whom It May Concern:

I am writing in support of Montlure Organizational Camp Rehabilitation Project #67461. The staff and board and volunteers have worked very hard to get the camp in shape and I support a categorical exclusion for the organization's restoration efforts, as well as a 20-year permit for usage.

Montlure has been a supportive, positive experience for generations of children in Arizona. It has provided a positive environment for kids to interact with peers and to discover the joy of nature and to grow closer in their spirituality and Christian faith.

Having the permit for 20 years would be a welcome event and provide stability for the camp and ensure that children in Arizona can have the opportunity to enjoy this experience for years to come.

Thank you for your consideration.

Sincerely,

Rev. Brian R. Louis
