Comments: I have been volunteer, President, board member of Montlure Camp I also am a mother whose sons attended Montlure Camp, as well as working at the camp with me on numerous occasions. Montlure Camp is an opportunity for children (and adults) to experience the grandeur of the outdoors in a safe, meaningful way. Much dedication to this land and its purpose has occurred. Hard work to maintain and rejuvenate Montlure isn't something new. Please help us continue to develop these memories and understandings of Montlure Camp and its mission.
