Comments: Habitat protection on the Flathead River is vital. The Bob Marshall Wilderness Complex deserves immediate action in order to preserve it.

Immediate action is critical to address wildlife displacement.

The vast majority of use on the wild rivers should be allocated to public use, and commercial outfitting and guiding should be limited to only the level that is "necessary and "proper" as required by the Wilderness Act.

Immediate action is needed to bring the impacts along the South Fork of the Flathead into compliance with the area's Wilderness Management Plan.
