Comments: I am writing from Bronxville, NY regarding the Bob Marshall Wilderness Complex. I urge you to protect wilderness and wildlife in the Flathead Wild and Scenic River corridor. The vast majority of use on the wild rivers should be allocated to public use. Immediate action is needed to reduce impacts to the Middle Fork of the Flathead caused by flights in and out of Schafer airstrip in the Great Bear Wilderness. The Forest Service needs more scientific data informing user capacity numbers as it addresses wildlife displacement in Wilderness.
