Comments: You MUST protect the wilderness from the capitalistic greed and destruction by those in the US who hold positions of power, and those who feel they are above the law because of their wealth and political power. You MUST protect the wilderness over the capitalistic greed of the current administration headed by Trump, the moral abomination. He is a man without integrity or character. It is your DUTY to protect all things wild from selfishness and egocentrism

You must not allow those who are driven by profit, greed, and selfishness to destroy the wilderness. Have the courage to choose to protect the wilderness over yielding to greed and those without morality and basic human decency!
