Comments: I'm in favor of protecting the wilderness in on the Flathead River and Bob Marshall Wilderness by addressing wildlife displacement due to increased recreation. I'm also concerned about the impacts of air traffic in and out of the Schafer airstrip in the Great Bear Wilderness. The main use of the rivers should be for public use and limit outfitting and guiding as required by the Wilderness Act. Also, the South Fork of the Flathead should follow the area's Wilderness Management Plan.
