Comments: As a trail runner, cyclist and rock climber, I would love to see this proposed trail between the Village of Questa and the town of Red River. While I live two hours away from Questa, I spend a great deal of time in the Questa/Red River area running trails and rock climbing at established climbing areas like Bear Canyon. This trail, and associated bridges, would facilitate better access and allow for more logical connections between trails and scenic/natural/historical attractions.

A sustainable, ecologically-friendly, unpaved trail would be a massive benefit to the area. I'd love to see this completed in 2025/2026.

Thank you,

Jason
