Comments: Hello! As a farmer, I care deeply about safeguarding our beautiful ecosystems. I appreciate all you do, and ask you to please protect Flathead Wilderness.

Habitat protection on the Flathead River is not something that can wait, and the Bob Marshall Wilderness Complex deserves immediate action in order to preserve the wild.

The Forest Service needs more scientific data informing user capacity numbers.

Immediate action is critical to address wildlife displacement in Wilderness caused by current recreation numbers.

Please protect this area from excessive development.

I appreciate your time and consideration!
