Comments: I am writing to express my strong support for the proposed trail project. This initiative will significantly enhance recreational opportunities in the area while promoting safe hiking and biking in our beautiful outdoors.

This trail will benefit not only the communities of Questa and Red River but will also serve as a foundation for a broader trail network around the Enchanted Circle. Expanding safe, accessible trails is essential for encouraging outdoor recreation and fostering a deeper connection with our natural surroundings.

I hope to see continued efforts toward developing more trails for hiking and biking, ensuring that our communities have safe and sustainable ways to enjoy the incredible landscape we are fortunate to call home.

Thank you for your consideration.

Sincerely,

Garrett Cottam
