Comments: I would like to voice the Taos Ski Valley Chamber of Commerce's support for the Questa to Red River trail building project. Taos county as a whole is devoid of paved pathways that safe for cyclists and pedestrians alike, and this initiative would set a precedent and 'playbook' for future trail-building infrastructures. The commerce generated by the proposed pathway can be measured, but only after it is in place. Thank you for your consideration, and please move this valuable project forward.
