Comments: Dear Sirs/Madams,

I am a Session Member of the First Presbyterian Church of Peoria. I have been attending this church for 15 years and in that time I have helped many children in our congregation to attend Montlure camps and have seen first hand the tremendous impact it can make on a child's life. I have heard many stories from elder congregation members about how they and their children attended the camps years before the fire and how it helped so much in building their faith. Please help us to do whatever is necessary for us not to lose this precious treasure.
