Title:

Comments: Dear USFS,

Montlure Camp is a valuable asset to many youth who need this experience with nature and nurture to become more experiential with God's love in the beauty of the outdoors. I urge you to work creatively with the Montlure staff and community to do all you can to come up with a working, sustainable plan for the safety of all involved and the regrowth and beauty of the region.

Thank you.

Victoria Carlson-Foscz
