Comments: Please take whatever steps are necessary to preserve Montlure and help to keep it open for many years to come. I attended Montlure church camp in the 60's, my sons have both attended when they were in elementary/high school and two of my granddaughters have also attended. My youngest granddaughter was able to attend Montlure in Greer, AZ last summer, the first time in 13 years the camp has been available. My other granddaughter served as a camp counselor for two years. We have so many fond memories of this camp and want others to have the same. This camp has served generations of youth who have strengthened their faith and relationship with God.

This camp deserves to be open and continue to serve the youth of Grand Canyon and DeCristo Presbytery.
