Comments: Dear Forest Service Public Servants:

Our forests are the best natural climate solution. We need to protect them, not increase logging.

YES to Tribal Sovereignty, Tribal inclusion

YES to indigenous cultural burning, beneficial burning, prescribed burning

NO to re-defining mature and old-growth forests

NO to eliminating protections for unlogged mature forests in LSRs

NO to increased clearcutting of mature and old-growth forests in Matrix Lands

Thank you for inviting public comment.

Best Regards,

Janel Erickson
