Comments: As a resident of San Miguel County who works in Telluride, I would like to express my support of the Telluride Mountain Clubs Proposed Trails. I believe these trails will add value to the quality of life of the residents in the area as well as the visitors. I think trails like the proposed perimeter trail can relieve the pressure put on our most popular trails like Bridal Veil Falls, by dispersing hikers over a larger area. The Illium flume trail will provide continuity on the already existing trail network in Illium. TMtC provides a great service to our community and have countless projects that we enjoy.

Thank You for your consideration,

Greg Pollio
