First name: rachel

Last name: petrovich

Organization:

Title:

Comments: Protect mature and old growth forest. Don't raise logging limits to 120 to 150 years. Save wildlife like the northern spotted owl and marbled murrelet. Intact forest fight climate change and reduce wildfire risk. Cutting them down does the opposite. Support tribal stewardship, but don't tie it to logging increases. Value recreation, clean water, and fish habitat over timber profits thank you.
