First name: Andy

Last name: Stahl

Organization: Forest Service Employees For Environmental Ethics

Title: Executive Director

Comments: March 17, 2025

To Whom It May Concern,

We expect the Trump administration will make substantial changes to his predecessor's proposed NWFP amendment, including putting forward a new proposed action, and will reserve our comments for that future proposal.

If the new proposed action requires a supplement to the DEIS, as it likely will, we will comment upon its release.

Best regards,

Andy Stahl
Executive Director
FSEEE
