Comments: As someone who recreates on a weekly basis year round I do NOT support this. Mt hood national forest is far too valuable as stands.

\* Protect mature and old-growth forests - don't raise logging limits to 120-150 years.

\* Save wildlife including the Northern Spotted Owl and Marbled Murrelet.

\* Intact forests fight climate change and reduce wildfire risk - cutting them down does the opposite.

\* I Support Tribal stewardship

\*I Value recreation, clean water and fish habitat over timber profits.
