Last name: Godin

Organization:

Title:

Comments: I urge you to:

- Protect our mature and old growth forests - don't raise the logging limits to 120-150 years.
- Save wildlife like the Northern Spotted Owl and Marbled Murrelet'
- Intact forests fight climate change and reduce wildfire risk - cutting them down does the opposite
- Support tribal stewardship - but don't tie it to logging increases
- Value recreation, clean water and fish habitat over timber profits.
