Comments: Please protect our environment. Help to:

- * Protect mature and old-growth forests - don't raise logging limits to 120-150 years.
- * Save wildlife like the Northern Spotted Owl and Marbled Murrelet.
- * Intact forests fight climate change and reduce wildfire risk - cutting them down does the opposite.
- * Support Tribal stewardship - but don't tie it to logging increases.
- * Value recreation, clean water, and fish habitat over timber profits.
