Comments: I am a member of the North Cascades Conservation Council (N3C) and I support the points they have made in the document this organization has submitted in response to the revision of the Northwest Forest Plan. In addition, I have worked on this issue with a related citizens' group in the Methow Valley (Methow Forest Forum), headed by Mr. Ric Bailey. I also support the document he has sent in response to the Northwest Forest Plan revision. Thank you for this opportunity to comment.
