Comments: To whom it may concern,

Please protect mature and old-growth forests - don't raise logging limits to 120-150 years.

??Save wildlife like the Northern Spotted Owl and ?Marbled Murrelet.

??Intact forests fight climate change and reduce wildfire risk - cutting them down does the opposite.

??Support Tribal stewardship - but don't tie it to logging increases.

??Value recreation, clean water and fish habitat over timber profits.
