First name: Sandi

Last name: Stephenson

Organization: Mount Rogers Trail Coalition

Title: Vice President

Comments: We understand for the maintenance of Our Forest this procedure needs to be done. We just hope that it is done properly and completely, not some parts left to be done later and ends up never getting done. I am referencing to the areas in the east end of MRNRA that have been poorly maintained. We all want the best for our Forest so many generations can enjoy and recreate there. Thank You Sandi Stephenson Mount Rogers Trail Coalition
