First name: Shanna

Last name: Memmott

Organization:

Title:

Comments: Juab County Travel Office supports a new parking lot at the mouth of Log Canyon, which will provide much-needed access and organization for this busy and scenic area. With increasing year-round use, a designated trailhead will serve as a vital staging point for the OHV community in both summer and winter, improving safety and reducing congestion. This investment will enhance recreation opportunities while preserving the natural beauty of Log Canyon for all to enjoy.
