First name: Mary

Last name: Hogan

Organization:

Title:

Comments: I am not in favor of Grand Targhee expansion outside of its' current foot print.

Undeveloped areas need to be protected for wildlife especially in winter when it is more challenging for them to survive.

I am in favor of either Alternative 3 or Alternative 1.

I am not able to attend the meeting in person. We frequent the area to ski and in summer to hike.

Thank You. Mary Hogan
