First name: Elizabeth

Last name: Ellis

Organization:

Title:

Comments: Please no expansion as the area needs to be left w/o additional slopes and left w/o additional homes! Do not destroy view, do not destroy wildlife habitat and please do not add more light pollution. In addition our roads can not handle the additional traffic & housing for employees is scarce. Would Grand Targee pay Idaho for use of roads or put in a toll road. Simply put a bad decision all around. We do not need to be another Vail. We don not need to be another Jackson. Stay as is - it is beautiful as is. Sorry if new owners are all about making more money. They bought as is - keep it as is! Thank you.
