Comments: I would like to see Grand Targhee continue to offer excellent skiing at a price that families can afford.

One thing that sets Targhee apart from Jackson and other major resorts is that families from the area (<300 miles), can drive and ski for a few days. If Targhee makes improvements and the day lift ticket prices rise significantly, our family will no longer be able to visit. Jackson and Big Sky cost nearly \$800 for a family of 5 to ski for a single day; please don't move too far in that direction!
