Comments: I'm upset about the loss of winter sports for students in Teton Valley. It was an incredible experience for my children who now know how to ski, and love it! I know Teton Valley is changing, but this experience should NEVER change! And the races the kids got to have were memorable. My child got first place two years in a row, and then all of a sudden it ended. Parents weren't notified about the change, and school kids of Teton Valley were very disappointed in Targhee. Targhee has always been a part of this community, but now it feels like it's all about the money. Please stay a part of this community. Some of the TV residents remember our small ski hill, we still need that vibe too!
