Comments: To the Forest Service,

I have known Thomas Knowles and Eric Jacobsen for over 10 years. I know them to be smart, hard working, committed to the environment and service as well as highly talented businessmen.

They both own homes in White Fish and are active outdoor enthusiasts , hikers, fishers, skiers and snow shoers who highly respect the land and the history of Holland Lake Lodge.

Last summer I visited the Lodge with Eric and was struck by its special beauty and serenity.

All of which compelled me to invest along side them.

I am sure they along with their co-investors will be great stewards and allow Holland Lake Lodge to sparkle and serve guest and the local community in manner that is respectful and non-disruptive,

Thank you,

Howard
