Comments: To whom it may concern,

I am a local resident to the Black Hills who cares for its health and prosperity. I oppose the Rochford Mineral Exploratory Drilling Project because I value the potential drilling sites. They are important to our community as a sacred Lakota site, as tributaries to upper Rapid Creek, and valuable groundwater sources.

I request a Environmental Impact Statement on this project and a 60-day extension of the "scoping" public comment period.

Thank you for your time.
