Last name: Goodman

Organization:

Title:

Comments: I support the full request by Grand Targhee to expand their inbound lifts and facilities. I also support their request to expand in the Mono Trees and South Bowl. The expanded terrain will make skiing conditions safer as these 2 new areas will be less prone to the persistent fog that engulfs Grand Targhee. The inbound expansion will help alleviate the current crowding and lift lines in the base area.

Regards,

Steve Goodman
