Comments: I am perhaps being selfish, but I am also a huge fan of GT and want all of this for these reasons:

- 1) I ski Jackson Hole 70 days a year, and having the allure of an improved Grand Targhee would take some pressure off us here in Jackson.
- 2) I think that these improvements will take Targhee out of the Stone Age (some would call it quaint) but it is so needed and would not affect the coolness factor of this remote and awesome mountain.
- 3) As GT fans and sometime skiers, we talked about most of this 20 years ago and wondered why nothing has ever been done to make significant improvements at Targhee.
- 4) Get it done!
