Comments: Pete Lien & Sons has proposed the Rochford Mineral Exploratory Drilling Project (RMEDP), a dangerous mining exploration plan that would desecrate Pe' Sla, a sacred site for the Lakota, Dakota, and other Sioux Tribes. We need your help to stop them.

This blatant attack on Indigenous Peoples' sovereignty by Pete Lien & Sons must be stopped. The proposed 18 drill pads-some directly inside Pe' Sla's protected area-would desecrate sacred land, threaten Rapid Creek and groundwater with contamination, and attack our ceremonies, treaty rights, and ancestral territory.

The Protect the Hesapa Campaign fights to protect the land, water, and people of our Sacred Black Hills. In Lakota, the Black Hills are known as The Center of Everything That Is. Hesapa is connected to our origins as Lakota people, we emerged from the sacred site of Wind Cave is the place where we emerged into the world.
