Comments: LAND BACK to the FIRST NATIONS!! STOP destroying Public Lands and Native Lands for profit...they are PROTECTED territories and they belong to our future generations...We want them to benefit from a clean and healthy environment, clean Air, Land and Water, just as we have been able to enjoy...We MUST PROTECT our rare and precious green spaces, our precious and endangered Wildlife and their Habitats...We want our future generations to learn to respect Mother Nature and our fellow Earthly Species that we are trying to protect out of LOVE and preservation for our future generations...they have the right to be born in a clean and healthy environment with thriving, free and happy Wildlife and People sharing life on our SACRED MOTHER EARTHLY journey back to our LOVING FATHER and CREATOR! Thank you...Meegwitch!
