First name: Ryan
Last name: Cook
Organization: Summit County Weed Control
Title: Weed Control Manager
Comments: I believe adding this many parking spaces to the Miner's Creek Trailhead is a mistake. This residential area already sees an abundance of traffic and it is already somewhat dangerous for vehicles to share the bike path with pedestrians, bikers, strollers etc. I predict adding this many parking spots will also lead to overnight parking, abandoned vehicles and possibly even squatters camping in their vehicles for an extended period of time.
