Comments: After attending a meeting at Swan Valley Elementary School, I would like to submit my comments on specialist permit issuance for operation of Holland Lake Lodge. I appreciate the time and transparency of all USFS employees who were there. I am in support of the proposed special use permit being issued. This historic Lodge has operated for 100 years and I hope it goes another 100. I look forward to being able to stop by the Lodge and purchase a drink or meal. Holland Lake Lodge is a special place for many people and it is a shame it has been shuttered or rarely open in recent years.
