Comments: I highly object to this expansion based on many things but mostly the following:

1. There is only one road to get to Targhee and that is Ski Hill Rd. It is already too busy. If there were an emergency up the canyon and evacuations were ordered, it would be dangerous for people to evacuate.
2. It would double the size of Alta. NO ONE living in Alta wants that!!!!!!
3. We would loose access to parts of Teton Canyon.

Please take in to consideration the impacts this expansion will have on the people who LIVE here not just recreate here. I am a 4th generation Alta resident. We are the people you should be asking about this expansion and how it will affect our lives.

The expansion of Teton Village and Jackson Hole Mountain Resort have helped ruin the character of Jackson. Let's not let their mistakes solely for "recreation" do that to our valley on this side of the Tetons.

Sincerely,

Trudy Green Treasure
