Comments: As a full-time resident of June Lake and a coach for the Mammoth mountain bike team, I am 100% in support of this project. Every time I am recreating in the Sherwins area, I see many people out there enjoying it. With more trails, we will be able to spread out more, and additional people can enjoy the trails.

Thank you to all involved on this project - I appreciate your effort and look forward to these trails being constructed!
