Comments: I am OPPOSED to the expansion of Grand Targhee Ski Resort for the reasons listed below:

Higher taxes and fees on our homes

The privatization of OUR public lands for the profit of the owners. THEY control/exploit the use and resources (nature and wildlife) of the National Forest and exclude the general public.

More traffic - worse roads

More noise

Fewer wildlife

Less dark night skies

Impacts to wilderness & Grand Teton National Park

More air pollution

The strain on schools, hospital and fire department. Every petition for "development" of the ski area promises to do it the "right " way with low impact. The development never does. The cost to ski and otherwise use the area is already too expensive for anyone of average income. All expansion plans come down to the simple effort to try to ruin the Teton valley the way Teton Village did to Jackson Hole. I AM AGAINST THE EXPANSION OF GRAND TARGHEE SKI RESORT THE SRONGEST WAY POSSIBLE
