Comments:

Thank you and the other presenters for the open house related to the Lost River Integrated Resource Project last Thursday. I it was well organized and informative.

At the meeting, I was told that you were trying to set up a meeting with the Woodstock Select Board. I checked with the Town Administrator and was told that a list of meetings for April and May was emailed to Scott L. Hall, NEPA Planner, at [scott.hall@usda.gov](mailto:scott.hall@usda.gov). They are waiting to hear which meeting would work well for you. Hope this helps.

All the best,

Jim Chesebrough
