First name: Paige

Last name: Reynolds

Organization: Rhode Island FFA

Title: 2024-2025 State President

Comments: I am writing this comment IN OPPOSITION to the logging operation of the NH white mountains set to take place this October. By furthering this logging operation, so many acres of land will be lost, leading to habitat destruction of native species and contributing to the greenhouse effect. This would be detrimental to the ecosystem and will continue to destroy the planet in which we live if this project sets forth. Therefore, it must be put to an end.
