First name: Autumn

Last name: White Eyes

Organization:

Title:

Comments: Pe Sla is an important sacred site to me and my people as a Lakota person and we do not permit mining around our sacred sites. According to the 1868 Fort Laramie Treaty the Black Hills in unceded land which was upheld and supported by the Supreme Court. I urge you to make the right decision and listen to resident and constituents of Rapid City and do not mine in the area.
