Comments: Hello there,

I am reaching out to share my support to please block this dangerous mining exploration plan that would desecrate Pe' Sla, a sacred site for the Lakota, Dakota, and other Sioux Tribe.

I have little Native Americans blood, but I feel that there seems less and less that we hold sacred in this world as a whole, and it is time to hold onto what we can - in the name of those who were here first. We can't just provide reservations in areas that the white man chooses... we must respect these peoples' land proactively for once.

Please consider my plea for this important cause and block this mining project.

Most sincerely,

Keri Pruitt
