First name: Ruth

Last name: Slivken

Organization:

Title:

Comments: What is sacred must remain sacred. It does not matter if we are tribal or not; we are all inhabitants of this planet; we are the children of Mother Earth. We must honor and respect her; we must preserve and protect her. We cannot allow her to be raped and pillaged. All these generations, she has provided for us and cared for us. Now it is our turn to come to her aid and save her for the generations to come.
