Comments: The Indigenous Peoples' sovereignty by Pete Lien & Sons must be stopped. The proposed Rochford Mineral Exploratory Drilling Project (RMEDP) represents an assault on land that is considered sacred this plan that would desecrate Pe' Sla, a sacred site for the Lakota, Dakota, and other Sioux Tribes,

You must realize that this plan is a blatant attack on Indigenous Peoples' sovereignty by Pete Lien & Sons and must be stopped.

Please recognize the damage you will inflict on an area the Indigenous People refer to as Pe'Sla and understand the importance to them that this area must not be destroyed for potential profit for a private Drilling Project.

Please do NOT allow this drilling project to go forward.
