Comments: The Rochford Mineral Exploratory Drilling Project (RMEDP) as proposed by Pete Lien & Sons is a dangerous mining exploration plan that would desecrate Pe' Sla, a sacred site for the Lakota, Dakota, and other Sioux Tribes.

The Indigenous Peoples of our country have already endured generations of disrespect, plunder of their home and hunting lands, and genocide by the now so-called citizens of this land. This new and blatant attack on Indigenous Peoples' sovereignty by Pete Lien & Sons must be stopped!
